**Series Synopsis**

From skate boarding racoons to pole dancing pooches, Animal Antics brings you the cutest critters from all over the world. Made by former Rude Tube producer *Nick Mavroidakis*, this 13 x 30 series showcases a different theme in each episode from the sportiest to the naughtiest, the craziest to the laziest beasts to ever step paw on Earth. Comedians, wildlife experts and animal vloggers will countdown their 20 favourite clips. Sit back, relax and enjoy the countdown to the world's furriest and funniest animal clips.

Episodic Breakdown**Episode 1 - Zolympics**

The sportiest animals compete for the podium.

Episode 2 - Lazy Lumps

The laziest and sleepest animals who just can't even...

Episode 3 - Cool Critters

Cool cats, hot dogs and lots of other smooth animals.

Episode 4 - Clever Creatures

The smartest, most talented, highly evolved animals.

Episode 5 - Jungle Dumbos

The stupidest animals who don't know their tails from their elbows.

Episode 6 - Heavyweight Champs

The strongest animals in the world.

Episode 7 - Fluffy and Fearless

The bravest beasts who never back down, even though sometimes they should.

Episode 8 - Cheeky Monkeys

These animals are so naughty they should be arrested and thrown into jungle jail.

Episode 9 - Scary Hairies

Animals so scary they'll make your fur stand on end.

Episode 10 - Adorable Animals

So cute that butter wouldn't melt.

Episode 11 - Wacky Wildlife

The world's funniest animals will have you roaring with laughter.

Episode 12 - Grumpy Beasts

Miserable mammals. Like bears with sore heads.

Episode 13 - Happy Bunnies

Animals filled with so much joy you can't help but smile.
