**Series Synopsis**

In the midst of troubling times Paul and Yuila Coate were scrabbling to make ends meet, until they hit upon a great idea. A cup of coffee. And thus Seattle's Foxy Ladies coffee chain was born. With its scantily-clad baristas, this steamy coffee house was bound to take off, and six years and 13 locations later, business is booming. This docu-series follows a dysfunctional family of six dramatic, fun and sexy Foxy Lady baristas whose personal dramas always spill over into their professional lives.
